Hunter Thompson takes stock in his tumultuous life and assesses the current situation in America in a very aptly titled book. At its best, Kingdom of Fear evokes the glory days of Thompson. At its worst, it wallows in some rather pitiful encounters which may have been better left unsaid, such as his flirtation with an 8-year-old Xania.

Brilliant, provocative, outrageous, and brazen, Hunter S ...

The Gonzo memoir from one of the most influential voices in American literature, Kingdom of Fear traces the course of Hunter S. Thompson's life as a rebel—from a smart-mouthed Kentucky kid flaunting all authority to a convention-defying journalist who came to personify a wild fusion of fact, fiction, and mind-altering substances. Brilliant, provocative, outrageous, and brazen, Hunter S. Thompson's infamous rule breaking—in his journalism, in his life, and under the law—changed the shape of American letters, and the face of American icons. Call it the evolution of an outlaw. Here are the formative experiences that comprise Thompson's legendary trajectory alongside the weird and the ugly. Whether detailing his exploits as a foreign correspondent in Rio, his job as night manager of the notorious O'Farrell Theatre in San Francisco, his epic run for sheriff of Aspen on the Freak Power ticket, or the sensational legal maneuvering that led to his full acquittal in the famous 99 Days trial, Thompson is at the peak of his narrative powers in Kingdom of Fear. And this boisterous, blistering ride illuminates as never before the professional and ideological risk taking of a literary genius and transgressive icon.

'Hot damn! Let us rumble, keep going and don't slow down ... let's have a little fun ...' In his much-anticipated memoir, Hunter S. Thompson looks back on a long and productive life. It is a story of crazed road trips fuelled by bourbon and black acid, of insane judges and giant porcupines, of girls, guns, explosives and, of course, bikes. He also takes on his dissolute youth in Louisville; his adventures in pornography; campaigning for local office in Aspen; and what it's like to accidentally be accused of trying to kill Jack Nicholson. Alongside this 'depraved and terrifying adventure', Hunter S. Thompson exposes the darkness at the heart of America today: a time when the 'goofy child President' and the New Dumb have taken control, and the nation thralls to Bush's War on Terror, War on Evil, War on Iraq, and even War on Fat ... a time when fear and loathing are greater than ever.

In this memoir, Hunter S. Thompson looks back over decades of fast living, hard drinking and sharp writing. It is a story of crazed road trips fuelled by bourbon and black acid, of insane judges and giant porcupines, of girls, guns, explosives and, of course, bikes.

Many had questioned the probability that Hunter S. Thompson would ever write a memoir. But the enigmatic legend of letters bucked the odds, resulting in a hilarious account of the making of the Gonzo journalist.

An anthology of top-selected Rolling Stone articles offers insight into both the late Thompson's early career and the magazine's fledgling years, in a volume that includes the stories of his infamous Freak Party sheriff campaign and his observations about the Bush-versus-Kerry presidential rivalry. By the best-selling author of The Rum Diary. 100,000 first printing.

An unconventional portrait of the iconic gonzo writer known for such works as Fear and Loathing in Las Vegas recounts the drug- and sex-fueled experiences he shared with the author, drawing on dozens of interviews with his friends, associates and editors. Original.

From the king of "Gonzo" journalism and bestselling author who brought you Fear and Loathing in Las Vegas comes another astonishing volume of letters by Hunter S. Thompson. Brazen, incisive, and outrageous as ever, this second volume of Thompson's private correspondence is the highly anticipated follow-up to The Proud Highway. When that first book of letters appeared in 1997, Time pronounced it "deliriously entertaining"; Rolling Stone called it "brilliant beyond description"; and The New York Times celebrated its "wicked humor and bracing political conviction." Spanning the years between 1968 and 1976, these never-before-published letters show Thompson building his legend: running for sheriff in Aspen, Colorado; creating the seminal road book Fear and Loathing in Las Vegas; twisting political reporting to new heights for Rolling Stone; and making sense of it all in the landmark Fear and Loathing on the Campaign Trail '72. To read Thompson's dispatches from these years—addressed to the author's friends, enemies, editors, and creditors, and such notables as Jimmy Carter, Tom Wolfe, and Kurt Vonnegut—is to read a raw, revolutionary eyewitness account of one of the most exciting and pivotal eras in American history.

Few American lives are stranger, more action-packed, or wilder than that of Hunter S. Thompson. Born a rebel in Louisville, Kentucky, Thompson spent a lifetime channeling his energy and insight into such landmark works as Fear and Loathing in Las Vegas - and his singular and provocative style challenged and revolutionized writing. Now, for the first time ever, Jann Wenner and Corey Seymour have interviewed the Good Doctor's friends, family, acquaintances and colleagues and woven their memories into a brilliant oral biography. From Hell's Angels leader Sonny Barger to Ralph Steadman to Jack Nicholson to Jimmy Buffett to Pat Buchanan to Marilyn Manson and Thompson's two wives, son, and longtime personal assistant, more than 100 members of Thompson's inner circle bring into vivid focus the life of a man who was even more complicated, tormented, and talented than any previous portrait has shown. It's all here in its uncensored glory: the creative frenzies, the love affairs, the drugs and booze and guns and explosives and, ultimately, the tragic suicide. As Thompson was fond of saying, "Buy the ticket, take the ride."

From the bestselling author of Fear and Loathing in Las Vegas, the legendary Hunter S. Thompson's second volume of the "Gonzo Papers" is back. Generation of Swine collects hundreds of columns from the infamous journalist's 1980s tenure at the San Francisco Examiner. Here, against a backdrop of late-night tattoo sessions and soldier-of-fortune trade shows, Dr. Thompson is at his apocalyptic best—covering emblematic events such as the 1987-88 presidential campaign, with Vice President George Bush, Sr., fighting for his life against Republican competitors like Alexander Haig, Pat Buchanan, and Pat Robertson; detailing the GOP's obsession with drugs and drug abuse; while at the same time capturing momentous social phenomena as they occurred, like the rise of cable, satellite TV, and CNN—24 hours of mainline news. Showcasing his inimitable talent for social and political analysis, Generation of Swine is vintage Thompson—eerily prescient, incisive, and enduring.

Bristling with inspired observations and wild anecdotes, this collection offers unique insight into the voice and mind of the inimitable Hunter S. Thompson, as recorded over the decades in the pages of Playboy, the Paris Review, Esquire, in various lectures, and in television appearances, many in print for the first time. Fearless and unsparing, the interviews detail some of the most storied episodes of Thompson's life: his savage beating at the hands of the Hell's Angels, his talking football with Nixon on the 1972 Campaign Trail ("the only time in twenty years of listening to the treacherous bastard that I knew he wasn't lying"); his razor-sharp insight into the Bush–Cheney administration, his unlikely run for Sheriff of Aspen, and his successful public battle, during the last years of his life, to free an innocent woman from prison. In addition, Hunter Thompson's passionate tirades about journalism, culture, drugs, guns, and the law showcase his singular voice at its fiercest. Complete with an exclusive introduction by author, journalist, and cultural critic Christopher Hitchens, Ancient Gonzo Wisdom genuinely embraces the brilliance of Hunter S. Thompson – his life, his voice, and his legacy – to provide an enduring portrait of the great gonzo journalist. "Four years after his death, the rapid-fire wit and venom of Thompson's writing is undiminished. Ancient Gonzo Wisdom features classic HST interviews" GQ
