The Secret Garden continues to touch readers after more than a century. This deeply moving and gift-worthy book is a must-read for fans of The Secret Garden and anyone who loves the story behind the story.

This book studies canonical children's literature during what is perceived to be the first Golden Age of this genre.

Building upon critical studies, such as Jacqueline Rose's *The Case of Peter Pan*, the instability at the heart of children's literature is examined. The notion that children's fiction promotes a discursive innocence is resisted by analyzing texts written specifically for a child readership. Textual tensions and desires inscribed from adult culture's penmanship, and the subversion of childhood's mythopoeic status are unveiled through critical analysis, highlighting the complex imbalance between adult narrator and child character. Just as childhood and its connotations of innocence are a cultural adult production, so must children's fiction incorporate an element of adult masquerade, where the child character embodies a performative dimension of the adult narrator's psyche. A critical metaphor, 'textual pedophilia' encapsulates the literary and discursive desire for innocence ruptured by the adult palimpsest of a postlapsarian authorial presence. The title refers to the imaginative preoccupations of childhood as transfixed by a performative adult creativity hiding behind

The only friend Emmie Hatton has ever had at the Craven Home for Orphaned Children is Lucy, the little black kitten that visits her on the fire escape every day. But when the children of Craven Home are evacuated out of London because of the war, heartbroken Emmie is forced to leave sweet Lucy behind. The children are sent to Misselthwaite Manor, a countryside mansion full of countless dusty rooms and a kind, if busy, staff. Emmie even finds a gruff gardener and an inquisitive little robin that just might become new friends. And soon, in the cold, candle-lit nights at Misselthwaite, Emmie starts discovering the secrets of the house—a boy crying at night, a diary written by a girl named Mary, and a very secret, special garden... with this enchanting new tale that will delight fans of the original story and new readers alike!

"Hidden Mountain Secret Garden: a theological contemplation on prayer" helps the reader discover the riches of mental prayer in the Catholic Tradition. In fact, the images of the "Hidden Mountain" and the "Secret Garden" are ancient metaphors for contemplative prayer, a kind of prayer that begins and ends in faith. This book is especially for those whose prayer is a search for the loving eyes of One who has conquered death. This kind of prayer beholds the wonder of Christ's living but hidden presence in one's highest thoughts and most noble aspirations as well as in one's instinctual urges and deepest longings. The ecstasy of this kind of prayer extends beyond even the vast unexplored horizons of the human heart and opens to an immensity of such excessive mercy that all else is forgotten -- and only love remains. The whole world needs this love: it is the secret garden, the hidden mountain, the inexhaustible riches only prayer knows and an excess of grace only prayer can make known. This is why Blessed John Paul II told the Church not to be afraid to open wide the doors of our hearts to Christ and it is why He told the young people of the world to be proud to proclaim the Gospel of the Lord. For those brave souls who have faithfully open their hearts to the Lord through this discipline of this kind of prayer, every Christian owes you a debt of gratitude. For those who want to join them, this work encourages you along the way -- for the journey you endeavor is at once the most perilous, the most heart-rending and the most wonderful adventure this world has ever known. "Dr. Anthony Lilles has authored an introduction to prayer that is inspiring and encouraging. For those desiring to pray this is a resource that is full of practical advice - written simply and attractively. This book

bears the mark of a man - husband, father and teacher - who is not only imbued with the wisdom of the Saints, but who has also, through his own prayer, learned how all of us can, through prayer, foster faith in and love for Jesus and his Gospel." THOMAS G. WEINANDY, O.F.M., CAP. Executive Director for the Secretariat for Doctrine United States Conference of Catholic Bishops This is a wonderful book. I've taught spiritual theology many years and I wish I had had this text use. In fact, I wish I had written this book. It is scriptural, patristic, historical, theological, mystical, experiential and user friendly. Dr. Lilles takes us through the spiritual journey of prayer, citing Fathers and doctors, saints and even sinners to guide us on our Christian way toward contemplation. Weaving many themes into a harmonious whole, he opens up the life of contemplation for all Christians, our baptismal birthright in a way that is accessible and attractive. This is a book one will read more than once. FR. GILES DIMOCK, O.P., S.T.D University Parish of St. Thomas Aquinas At the University of Virginia In this book we find the real meat of the new evangelization. The church in America will not be renewed by "facts about Jesus" but only through one's choice to let Christ reach the heart and change it from within. It is an ancient message received by only few: Do not be afraid of letting go of what now defines you. Let Christ tell you who you are. Dr. Lilles is one of the ablest guides to lead us through to such a choice. Will I stay with knowledge about Jesus or will I enter the garden of prayer and finally come to know Him!! Do not be afraid to be loved, read this book. DEACON JAMES KEATING, PH.D, Institute for Priestly Formation, Omaha, NE

Kenneth Grahame, George Macdonald, Louisa May Alcott, Frances Hodgson Burnett, A.A. Milne and others whose works make up the Golden Age of children's literature. Both a collective biography and a work of criticism, *Secret Gardens* forces us to reconsider childhood classics in a new light. 'Secret Gardens permits us to see in a fresh light the interaction between cultural history and literature, and to realize that ... it wasn't mere misfits who withdrew into the writing of children's books, but rather the sort of misfits who reflected the prevailing dissatisfactions of the age.' New York Times Book Review

Kelvin and his Dad were taking a walk, looking at the trees and flowers in the park. When Kelvin asked his Dad 'How do trees grow?' To which his dad replied, 'Do you really want to know?' In this story, children will learn about the process of photosynthesis and why it is important to life on Earth.
