Since professional women must demonstrate gender neutrality in the workplace, they cannot ask for assistance in leaving the office at late hours which puts them at increased risk of violence. Women who are out late are judged to be prostitutes - women who are unrespectable and a moral threat to society.

~~Roma Singh | Book Summary: " Why Loiter? Women & Risk on ...~~

The right to risk asserts women ' s right to the public, she said. It claims that what women want is not a safety which is conditional on them behaving a certain way and being respectable or having a purpose in public space, but the unconditional right to be in public space and to take risks. Understudies from Delhi are among the most enthusiastic members in the campaign.
